The cited reference was cited in a Preliminary Examination Report in which an English language copy is provided.

JP 10-116156 listed in form PTO-1449 of the subject Supplemental IDS and the related International Preliminary Examination Report in which it is cited and applied in the rejection of claims 4 and 5 of the International application were both filed as a part of the IDS filed concurrently with the subject application, but were not listed on Form PTO-1449 of that IDS.

Accordingly, the present, Supplemental IDS corrects that oversight.

Merely for coordination, a copy of the first page of the International Preliminary Examination Report and a copy of the first page of JP 10-116,156 are filed herewith. The complete originals thereof were filed with the original IDS, as before noted.
